Do You Want Long, Heavy Hair?

Then treat your hair well. See that it is properly fed. Growth of every kind demands proper food. Starved hair splits at the ends, turns prematurely gray, keeps short and dry. Then feed your hair. Feed it with proper food, a regular hair-food. Feed it with Ayer's Hair Vigor. Thus help nature all you possibly can toward giving you rich, heavy, luxuriant hair. Ask your doctor about your hair and about Ayer's Hair Vigor. Follow his advice.

Cable News SPRECKELS' ACT IS SURPRISE TO WASHINGTON

SAN FRANCISCO, July 23.—Although the department of justice at Washington expresses surprise at the action taken by John D. and A. B. Spreckels in filing a petition for the dissolution of the California Sugar Refining company on the very day that the federal investigation of the sugar trust opened on the Pacific Coast, Secretary Wickham announcing his surprise and stating that he could not say offhand what effect it would have upon the investigation, it is recognized here that no significance whatever is to be attached to the action of the Spreckels. The California Sugar Refining Company is an obsolete corporation, concerning which the investigators could have nothing to do. The decision to ask for a dissolution was made a week ago by the shareholders.

Secretary Hamann of the Western Sugar Refining Company was the important witness examined today. He testified that he had reported regularly to Havemeyer concerning the Western markets and the transactions of the company. The American Sugar Refining Company, later, he says, although retaining five per cent. of the Western stock, resold to Claus Spreckels all the rest held by them, giving the Spreckels interests the absolute control.

METHODIST BISHOP DIES AT EIGHTY-ONE.

DENVER, July 23.—Henry White Warran, bishop of the Methodist Episcopal church, died here today after thirty-two years in the bishopric. Bishop Warren was eighty-one years of age, being born in Massachusetts in 1831, and educated at Wesleyan University from which he graduated in 1853. He was a student of no mean ability, teaching natural sciences in the Amenia Seminary and later being professor of ancient languages in Wilbraham. He was a well known amateur astronomer and had written several books on that subject. From 1896 to 1900 he was editor of The Study and his newspaper and periodical reviews run into the hundreds. He was a prolific writer on religious subjects.

MARTIAL LAW TO END REVOLUTION.

MEXICO CITY, July 23.—Martial law was declared today in all the States in which guerrilla bands of rebels are still operating. The declaration of martial law and the announcement that the federal government feels confident of thus wiping out the last vestiges of the Orozco revolution, is taken as a certain sign that the government has not exaggerated its reports of success over the rebels, who have not now a single town under their control.

SENATORS OUT FOR "NO TOLL" CANAL.

WASHINGTON, July 23.—Claiming that the obligations contained in the Clayton-Bulwer treaty with Great Britain should be fully and honestly recognized by the United States, Senator Percy of Mississippi has joined Senators Root and Burton in their fight for a free canal, making a strong speech on the subject in the senate today. The Mississippian urged a free canal as best, in view of the opportunity it would afford of competition in freights with the transcontinental railroads, but took the stand that if free passage cannot be given to the ships of all nations on equal terms, then the canal rates should be the same for the ships of all nations, without any discrimination in favor of American coasting vessels.

One Battleship a Year. The House Democrats will caucus tomorrow on a battleship building program and will probably agree to accept a bill calling for the construction of one battleship a year.

FLOODS AGAIN IN NORTHERN JAPAN.

TOKYO, July 23.—Disastrous floods are reported to have occurred in the sections north of here. Four hundred persons are missing and it is feared that the death list will be a long one.

CONDITION UNCHANGED.

TOKYO, July 23.—The condition of the Emperor tonight was unchanged. He appears to be holding his own, but no assurance of recovery was given by the court physicians.
